

# BETHEL UNIVERSITY HOUSING & MEAL PLAN CONTRACT

This contract contains two parts. Part A consists of the Bethel University Housing Contract. Part B consists of the Bethel University Meal Plan Contract. Part A and Part B are presented as a single document because housing selection dictates both meal plan requirements and meal plan eligibility. The signer of this contract certifies that he or she has read all of the stipulations in both Part A and Part B of this Contract and agrees to comply with each one or be held in violation of this Contract.

## PART A – BETHEL UNIVERSITY HOUSING CONTRACT

This is a housing occupancy contract (“Contract”) made by and between the student whose name appears at the end of this Contract (“Student”) and Bethel University (“University”). It grants to the Student permission to occupy a residence hall or apartment in University housing for a specific period of time. This Contract is subject to the official opening and closing dates of the residences, and is subject to the stipulations listed below. **THIS CONTRACT IS LEGALLY BINDING.** It incorporates and supports the terms of the Bethel University Academic Catalog and Bethel University Student Handbook.

- 1. CONTRACT PERIOD:** This contract is effective upon signature by Student and, except as otherwise provided herein, shall be binding for the full or remaining portion of the academic year. If at any time the Student ceases to be enrolled at the University, the Student’s right to occupy University housing shall automatically and immediately terminate. Student shall remain liable for housing costs for the remainder of the contract period, subject only to Student’s right of cancellation under paragraph 3 of this contract. A Student who has lost the right to occupy University housing for any reason must vacate the assigned housing unit within 24 hours after notice to vacate is given to Student by any reasonable means. Failure to vacate the housing unit promptly may result in further consequences against the student.
- 2. CHECKOUT PROCEDURES:** Student must clean the room, properly check out of the room as described in [University Student Handbook](#), and vacate the room no later than noon on CAS commencement day. Violation of any provision of this Contract will result in checkout fines.
- 3. HOUSING CONTRACT CANCELTION:** This Housing Contract must be canceled by Student in writing at [residence-life@bethel.edu](mailto:residence-life@bethel.edu). A Cancellation Fee will be charged to Student per the following schedule:
  - \$150 Cancellation Fee if canceled before July 1 for the Fall/full-year Contract.
  - \$300 Cancellation Fee if canceled on or after July 1 for the Fall/full-year Contract.
  - \$150 Cancellation Fee if canceled on or after December 1 to cancel any portion of the remainder of the year Contract.Cancelation of the Contract within the time frame of a term will follow [University Student Handbook cancelation dates](#). The University reserves the right to cancel this Contract for violation of any provision of this Contract.
- 4. OCCUPANCY:** This Contract secures space in University housing. The University reserves the right to change the housing assignment at any time and for any reason at the sole discretion of the University. Should the occupancy of the room, suite or apartment fall to 50% or less the Student agrees to space consolidation as directed by the Residence Life Office. The Student must be enrolled in at least twelve credit hours per semester (during Interim: one credit) in order to occupy housing. Early occupancy (i.e. before official opening dates) is strictly forbidden and subject to fine assessment. This Contract does not cover housing during Christmas Break and Spring Break when campus housing is officially closed (see catalog for inclusive dates). Student entry into on-campus rooms when housing is officially closed will be considered breaking and entering and/or trespassing. Approved entry into your on-campus room or suite during these periods will be accommodated only with sound rationale and is subject to denial.
- 5. ROOMMATES:** Residence Life has the right to assign Students to any vacancy in University Housing.
- 6. ROOM TRANSFERS:** All room transfers must follow the [Room Transfer Procedures](#) as described in the Bethel University Student Handbook. All room transfers require the prior approval of the Associate or Assistant Dean for Residence Life.
- 7. MEAL PLAN REQUIREMENTS:** All students in University housing, with the exception of North Village apartments, are **REQUIRED** to have a meal plan as a condition of this housing Contract. Please refer to the Meal Plan Contract (Part B of this document) for details regarding meal plans that are available.
- 8. HEALTH FORM:** It is a violation of this Contract to occupy housing prior to completing the required immunization form with the University Health Service.

9. **RESIDENCE INSPECTION:** In case of a health or safety emergency, or in circumstances where there is reason to believe that state or federal laws or Bethel policies (found on confluence) have been violated, the University has the right to immediately enter and inspect or authorize inspection of rooms and apartments without notice. Student will be notified of periodic routine room inspections for general orderliness and agrees to provide access at all reasonable hours for service and repairs.
10. **DAMAGES:** The University is not responsible for loss or damage to personal property from any cause. The University recommends that Students obtain a renters insurance policy. The Student will be charged for any damage to his/her room, apartment and other common living areas which is beyond normal wear. In the case of unidentified damage or vandalism, all Students living in an identifiable area (i.e., room, suite or apartment; floor; wing; building or hall) around the damage will be charged equally.
11. **SUB-LEASING/ASSIGNMENT PROHIBITED:** Student may not lease, sublease, rent, or otherwise allow any person to occupy Student's assigned housing unit in exchange for monetary or any other compensation, without regard to the length of the proposed occupancy. Student may not assign Student's rights under this Contract to any other person.
12. **FIRE CODE REGULATIONS:** The University considers fire code violations to be a serious threat to both personal safety and property. Therefore, anyone found to be in violation of the fire code may be immediately subject to one or more of the following: 1) Removal of code violation items; 2) Charges for damages; 3) a fine of up to \$250; 4) University disciplinary procedures; 5) governmental enforcement and penalties. Refer to the Bethel University Student Handbook for specific violations and applicable penalties.
13. **ASBESTOS:** A very minor amount of asbestos (two to five percent) is present in some of the building materials used to construct the North Village apartments. An environmental consultant retained by the University has determined that the premises are safe and that no significant health or safety risk is posed by the limited level of asbestos in these units.
14. **EXCEPTIONS:** Exceptions or modifications to any of the provisions of this Contract are not valid unless approved by the Associate Dean for Residence Life in writing.
15. **RATES:** Housing rates are frozen for all continuing students. A student's housing rate will not increase provided the student lives in campus housing every semester. Rates are based on a student's first year in Bethel housing. Rates are included below:
  - a. 2020-2021 Academic year – frozen rate of \$2,950 per semester, or \$5,900 per academic year.
  - b. 2021-2022 Academic year – frozen rate of \$2,995 per semester, or \$5,990 per academic year.
