Each program has a designated Student Success Advisor (SSA) who serves as the first point of contact for student advising and support. The SSA can assist students with course selection, program planning, and other academic and registration questions. They are also able to provide referrals to a number of other support offices on campus, based on each student's particular needs. Contact your program's SSA with your questions or concerns using the contact information found below. You can also visit the [Office of Student Success & Retention](#) website for more information.
