

Printing at Bethel - CAPS

Printing is as easy as swiping your ID card. At the [Printing at Bethel](#) website, you can access resources to learn more about printing, scanning, and copying. You will find links to user guides as well as printer locations and how to register your Bethel ID card. The "Follow Me Printer" allows you to print and pick up your job at any printer or multi-functional device on campus. The Bethel owned computers already have "Follow Me Printer" drivers installed. For students, faculty and staff using personal computers you can find the instructions on the [printing website](#).

Print Services

651.638.6358 (800.255.8706, ext. 6358)

The [Print Services](#) team at Bethel is available to help you with all your printing needs. They offer a complete suite of printing services with quick turnaround times and delivery. You can visit their [website](#) for additional information.
