

Shuttle Service

Transportation, as an office of Safety & Security, provides a variety of services to support the University with safe, reliable, and accessible transportation.

Bethel offers a free shuttle service for community members and guests to ride on and off campus. Bethel operates a variety of shuttles to provide transportation around the 3900 St. Paul Campus, Anderson Center, and select off campus locations. Shuttle stop locations can be found on the Campus map. The shuttle typically runs 7 days a week, but the schedule and availability will change during holidays and breaks. Questions about the shuttle should be directed to The Office of Safety and Security at 651-638-6400. Visit bethel.edu/transportation/ for complete information.

Bethel Shuttle stop locations can be found on the campus map.
