

Bethel University Community Commitments

Each student is expected to live according to Bethel community standards as described in the [Covenant for Life Together](#) and the policies associated with campus living. Any infraction of these standards by students will be investigated in accordance with [the philosophy](#) and [due process](#) statement explained on those pages.

- The possession and/or use of drugs, alcohol, or tobacco is not permitted.
- All movies shown or viewed in public residence hall spaces must conform to community expectations.
- Posters must be in good taste. Sexually explicit or suggestive posters are not permitted.
- Clothing that is inconsistent with Bethel's lifestyle and community expectations is not permitted.
