

Removal From Housing

Under certain circumstances involving the health or safety of a student or others, a student may be immediately removed from university housing by a Dean from the office of Student Life. Removal from housing will be handled on a case-by-case basis as determined by the university in its sole discretion.

In the event that a student is removed from university housing:

1. The student will be informed of all pertinent information leading to the decision for removal from housing.
2. The length of the removal will be determined on a case-by-case basis.
3. The conditions under which a student may return to university housing will be identified at the time of removal and provided to the student in writing.
