

Flex Dollars - CAPS

Flex dollars are dollars added to student ID cards and used to purchase items through Dining Services. They are purchased dollar for dollar, and are offered as a convenience for students who may choose not to carry cash.

College of Adult & Professional Studies students can buy Flex dollars at the Sodexo Office in the Monson Dining Center from 8 a.m. to 4:30 p.m. Students should bring their Bethel ID card and a personal check for the amount of Flex dollars they wish to purchase.
